

Charity Car wash at Carlton Fire Station

Saturday 17th March 2018

Dear Parents/Guardians,

On Saturday 17th March, Carlton Fire Station are having a charity car wash and we have been asked if we would like to help them out again. You may remember back in September, we supported the fire crew by washing cars/vans/our minibus. They were so impressed by the help that they have asked us back again.

As this is a fantastic opportunity to help support our local community it also helps us to cover our badges.

Scouts:- This activity will go towards the World Challenge badge, Teamwork Badge and Fundraising badge.

Cubs:- Teamwork Challenge Award, Our World Challenge Award

We will be at the fire station from 10am – 4pm. Youngsters/parents/carers, wishing to take part will need to make their own way to and from the fire station where a leader will meet them on arrival. It is advised that they bring along a towel, wellies (if they own them), a change of clothes/footwear and a drink.

It is recommended that your scout/cub owns waterproofs that these are also brought as we can get very wet!!

We would like to see as many scouts & cubs there as possible to 'lend a hand or two'.

This is a fantastic opportunity to work within our community, have a chat to the fire crew, have the occasional call out (which happened last year) and have a fab time whilst working together. Everyone who attended the charity car wash in September thoroughly enjoyed it and couldn't wait for the next one.

If your child would like to help out, please can you complete the slip below and hand it into Nat.

Thanks Nat

I give permission for _____ to help out at the Carlton Fire Stations charity car wash.

They are in _____ (section).

Times my child/children can help out are:-

- 10am-12pm
- 12pm-2pm
- 2pm-4pm
- All Day
- Times between: _____

Please can you provide a phone number should we need to get in touch with you during the event.
